Always Successful.

When indigestion becomes chronic it is dangerous. Kodol Dyspepsia Cure cures indigestion and all troubles resulting therefrom thus preventing a curable of the stomach. Dr. Newbrough of League, W. Va., says: "To those suffering from indigestion or sour stomach I would say there is no better remedy than Kodol Dyspepsia Cure. I have prescribed it for a number of my patients with good success." Kodol Dyspepsia Cure digests what you eat and makes your stomach sweet. Sold by Jackson Drug Co.

BAND OF IGORROTES

Curious Philippine Dogaters, Made Famous at St. Louis, Secured for Big Kentucky State Fair.

Probably the most important attraction that has been or could be secured for the coming Kentucky State Fair is the famous band of Igorrotes, the dog-eating tribe from the Philippines, which was the center of interest of the entire St. Louis World's Fair last year. It has only been possible to secure this curious and unique band at heavy expense and after much effort, and the management of the Fair is certainly to be congratulated upon having added something that will appeal in an education and entertaining way to all who attend.

While the Igorrote Village is probably the most prominent and best of the attractions, it is but one of a dozen. There will be the splendid Buckskin Ben's Wild West Show; there will be a band of lady athletes, unsurpassed; there will be a Coliseum, a Turkish Theater, a Reptile Den, an Arcade, a Plantation Show with a brass band accompaniment, the Girl in the Moon, Nemo, a Platform Show, a Condemner Ferris Wheel and various other attractions. This will comprise the greatest group of accessories ever offered by a Fair in the South and even for this, aside from the magnificent display of live stock and excellent racing and the other features which come under the regular head of fairs, it will be worth a trip to Lexington to see.

Another thing, however, which should not be overlooked is the splendid Duss Band of 45 pieces which will give daily concerts throughout the Fair week. This band is today the best and most famous band in America.

No Unpleasant Effect.

If you ever took DeWitt's Little Early Risers for biliousness and constipation you know what pill pleasure is. These little pills cleanse the liver and aid the system of all biliousness producing unpleasant effects. Justice of the Peace Adam Shook, New Lisbon, Ind., says: "Some three years ago I had a spell of grip and felt outdone and I happened to get a trial box of DeWitt's Little Early Risers and they gave me strength and muscle." They do not gripe or make you feel sick. Sold by Jackson Drug Co.

FOR REPRESENTATIVE.

I am a candidate for Representative of the counties of Breathitt, Magoffin and Lee, subject to the Democratic convention, or what action they may take. I am a Democrat of the old school, served four years in the Confederate army, have voted the straight Democratic ticket for 47 years, stood by all the nominees of the party, so I feel at liberty and believe that I have the right to ask the party to send me to the Legislature, where I can continue to do the party good, as I have always been loyal to the party, also all of my relatives before me. So I hope the people will consider my right to call upon them and the one interest in which I pledge myself to look after.
J. P. MUNCY.

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for 15 years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher Gilman, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by the Jackson Drug Co.

A Poultry Mill.

Mary's father was making the experiment of raising chickens with an incubator in his barn. The neighbors were much interested in this experiment, and, meeting Mary, one of them asked, "Mary, have you any little chickens at your house yet?" "No, but we're making some," replied the little maiden.—Lippincott's Magazine.

The Pity of It!

A certain lady of wealth living in the north of Ireland was recovering from a serious illness and one morning called for an egg, which she ate with much enjoyment. As she passed back the cup and plate to her nurse she said, "An egg is a delicious thing." Then, with much melancholy, "What a pity," she added, "it is so common among the poor."—London Globe.

A Remedy Without a Peer.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klotz, of Edina, Mo. For any disorder of the stomach, biliousness or constipation, these Tablets are without a peer. For sale by Jackson Drug Co.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Ala. He says: "While there I ate some fresh meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to a drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took a dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by Jackson Drug Co.

"Weak Hearts."

It is a harmful thing for any one to coddle his heart when there is no disease, and I think we (the medical profession) are far too instrumental in aiding and abetting this. We do far more good by pronouncing people sound, even if out of health, and thus sending them forth with renewed hope, than by keeping them in the chains of uncertainty and nervous dread, thus which nothing can be more crushing to the utility of a life or more harmful to the chance of regaining health. I know of no symptoms of a "weak heart." Yet the use of the term leads either to a state of nervous dread from which recovery is most difficult or else to a life of luxurious idleness, which, by the enervation it causes, is likely sooner or later to be preceded to the end it would seek to avoid.—Dr. James Goodheart of London.

Men Past 60 in Danger.

More than half of mankind over 60 years suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better. I am now 60 years old." Jackson Drug Co.

One Way to Win Sleep.

A writer in a medical journal suggests a new way of juggling with insomnia. His sleep inducer is a chain of single words so associated in sound or meaning that each suggests the next subsequent—for instance: Ice, slippery; smooth, rough; ruffian, tramp, etc. When sleep is coy recite the list mentally. This is said to be a sure cure. It keeps the mind from rambling from subject to subject, as the mind tends to do in sleeplessness.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25¢ at Jackson Drug Co.

A Theory.

"Why don't sailors say 'right' and 'left' instead of starboard and larboard?" "Oh, I don't know. I suppose they'd hate to make things too easy for landlubbers."

It is a fine thing to know when to let go. Many a man holds on too long. It is better to jump overboard than to go down with the sinking ship.

Startling Mortality.

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for constipation and biliousness." 25¢ at Jackson Drug Company.

Clean Spectacles.

Oculists will agree that many persons who wear spectacles, although the lenses may be perfectly adapted to the needs of the eye, suffer much inconvenience and possibly ultimate damage simply through not keeping their glasses clean. Students and writers, lawyers and clergymen, business men and school children who use glasses rarely keep them clean, and from their cloudy and grimy state serious injury results to the eyesight. The glasses should be frequently cleaned with alcohol, which is preferable to water, and either tissue paper or camo leather is better than the usual handkerchief.

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs and expectorates, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by Jackson Drug Co.

Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with pneumonia, under the care of two doctors, but getting no better when I began taking Dr. King's New Discovery. The first dose gave relief and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at the Jackson Drug Co. price 50¢ and \$1 00 Trial bottle free.

Honey in the East.

In ancient Egypt honey was employed as an embalming material, and in the east to this day it is largely used for the preservation of fruit and the making of cakes, sweetmeats and other articles of food. In India a host will offer to his guest a dish composed of curds and milk or of equal parts of curds, honey and clarified butter. It is given to a bridegroom of his arrival at the door of the bride's father. In the east, when grafts, seeds and birds' eggs are to be transported a great quantity of them are often packed in honey.

Best For Children.

Mothers, be careful of the health of your children. Look out for coughs, colds, croup and whooping cough. Stop them in time—One Minute Cough Cure is the best remedy. Harmless and pleasant. Contains no opiate. A. L. Spafford, postmaster at Chester, N. H., says: "Our little girl was unconscious during a sudden and terrible attack of croup. Three doses half an hour apart of One Minute Cough Cure speedily cured her. Sold by Jackson Drug Co.

Another Victim.

"Poor Mrs. Booser suffers terribly from the liquor habit," said Mrs. Gabb. "How is that?" inquired Mrs. Chien, seating herself. "When her husband comes home at night he is too far gone to pay attention to her remonstrances and the next morning he has such a headache he can't listen to her."—Portland Telegram.

Dr. Finn's Testimony Interesting.

Dr. Thomas Finn, of Boonsboro, Mo., who has practiced medicine for 32 years says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. Jackson Drug Co.

Now They Don't Speak.

Clara—I always tell my real age. Estelle—Well, you can afford to. You see, you're not as old as you look.—Detroit Free Press.

Probably.

"Kind words cost nothing." "Exactly. I think some folk distribute them freely on that account."

Numerous and Worthless.

Everything is in the name when it comes to With Hazel Salve E. O. DeWitt & Co., of Chicago discovered some years ago how to make a salve from With Hazel—that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by Jackson Drug Co.

One bottle of Smith's Kidney and Nerve Tonic cured Martin Hall of a weak back. It was so bad that he couldn't get up when he sat down without being in continuous rack of misery for at least one hour. Sold by S. H. Stidham & Son, Jackson, Ky. Price \$1 00 per bottle.
